

# Mobile service center

Sulzer is a global partner delivering reliable sustainable solutions for key applications. We offer repair and maintenance services from a single access point for turbines, compressors, pumps, generators and motors. By operating one of the largest service networks in the industry, we are close to our customers with over 180 production and service locations worldwide.

## Resources and facilities

Sulzer's comprehensive service center in Mobile, Alabama is fully equipped to maintain and repair all types of vertical pumps. Over 20'000 ft<sup>2</sup> of shop space houses complete machining and welding capabilities, underneath 2 x 20 ton cranes along with 10 ton and 5 ton cranes for handling capability. Projects are completed by highly experienced staff of engineers, project managers, sales managers, and technicians combined with a crew of dedicated craftsmen.
